It was so nice to see everyone that could make it last night. Thank you, again, to Stuart for allowing us to use the rooftop of his office. It was truly amazing. We will have the minutes of the meeting produced for you but I wanted to give a few highlights.

We spent the first part of the meeting sharing our thoughts about Marc. Roger wrote a beautiful statement that I shared with everyone. If you were not present and would like to read it, see attached.

Building- Great news! We closed on our loan yesterday, thanks to all the very hard work of Bret Berlin and Jane Muir. We will be starting on the design phase. You will receive a survey on what you would be interested in seeing in a new building. Feel free to participate if you have any thoughts.

Approach the Bench- we are finalizing the questions for our retired committee of judges to review before we start the interviews. If you are on a substantive law committee, please send your questions to Roger and I as soon as possible.

Committee Year End Review- you will be receiving a letter from me in the next couple of weeks with a review of your committee (how many CLE/socials have been held, attendance, money raised by sponsorship or registration fees).

Bench and Bar- We have a new name "MiamiLawCon". Charise will need your committees to work on panels that are: diverse, have no more than 3 panelists and contain at least one judge, if possible. CLE credit has to be submitted by February 10 so please get your panel to Charise in January. She needs 1) title of your panel 2) speakers names 3) bios for each speaker and 4) a paragraph description on the topics that will be discussed. If you need any help or suggestions on speakers please don't hesitate to ask Charise as she knows literally everyone.

Profiles of Directors and Chairs- Each week I write a newsletter that is sent out to everyone. I would like to highlight one Director and one Chair each week with your photo and information about you. Please fill out the attached form.

I hope that everyone has a very healthy and happy holidays and I look forward to seeing you all in 2022!

Thanks for the update Sabrina and sorry I couldn't be there. Lisa's mother is in Hospice care and it's touch and go so hard for me to leave her. Roger, what a beautiful tribute to Marc. He was a special guy and I was so glad that he was on the board. Over the years, we shared lots of laughs and hugs. Stay well everyone and Happy and Healthy New Year and Holiday Season. Stan
